

Privacy Policy

Welcome to <https://bulgaria.pglf.org/>

Thank you for your interest in PGLF Bulgaria. The team of PGLF Bulgaria (hereinafter referred to as “we”, “our team”, “us”) regards your privacy as a serious topic in which respect we are committed to protecting the privacy of any personal information you share with us being compliant with the General Data Protection Regulation.

Consent

The following Privacy Policy defines key elements with regard to what personal information we collect on our website and the purposes for which we may use or disclose personal information. By using <https://bulgaria.pglf.org/> (the “Website”) and the implemented application form, however they are accessed and/or used by you (whether via personal computers, mobile devices or otherwise), you’ll be confirming that you have read and understood and agree to this Privacy Policy.

When submitting an application and with this regard using the Website, you will be asked to provide certain information, such as full name, country of citizenship, country of residence, passport/ID number, address, phone number, email, occupation, field of work/study, social media and instant messaging profiles, special physical or medical needs, dietary restrictions, financial information, personal description, photograph, tshirt size number. If this information is not provided, we will be unable to assess your application.

If you do not agree with this Privacy Policy, please do not use the Website or submit any personal information required by us to assess applications.

Our team reserves the right to modify the Privacy Policy in future without notice. In such cases, current version will always be available on our Website and, where appropriate, you will be notified by e-mail. Please do check back this Privacy Policy frequently in order to be aware of any updates or changes. When updated, this will be indicated at the top of the Privacy Policy.

Please be advised that the practices described in this Privacy Policy apply only to information gathered online at our Website and with our application form. They do not apply to information that you may submit to us offline or to websites maintained by other companies or organizations to which we may refer.

Information collected by our team about you:

The following information about you will be collected and processed by our team:

1. Information provided by you to our team. This information may be gathered after applications or forms are filled from your side, as well as by phone, e-mail or other communication. Examples of the information you may be required to provide can be found above.

2. Information collected about you. With regard to each of your visits to our Website the following information will automatically be collected:

Google Analytics: when you use the Website, from our side analytics services are used provided by Google (“Google Analytics”). These services collect and process information about your actual location and other technical information about your visit to the Website. The information collected by Google Analytics includes the Internet protocol (IP) address used to connect your computer to the internet, clickstream to, through and from our site (including date and time), and page interaction information (such as scrolling, clicks, and mouse-overs)). Google Analytics use various technologies to determine location, including IP address, GPS, and other sensors that may, for example, provide Google with information on nearby devices, Wi-Fi access points and cell towers.

For more information on how Google Analytics uses this information, please see the site “How Google uses data when you use our partners' sites or apps”, (located at google.com/policies/privacy/partners/, or any other URL Google may provide in the future). Please refer back to this Google site for any changes or updates to these terms and the information collected by Google Analytics from time to time.
